DATE: January 31, 2008

RE: AMENDMENT TO THE STAFF REPORT FOR EMPIRITA WATER COMPANY, LLC'S APPLICATION FOR A PERMANENT RATE INCREASE (DOCKET NO. W-03948A-07-0495)

On January 25, 2008, Commission Staff filed its Staff Report for Empirita Water Company, LLC ("Company") in the above referenced matter. One of Staff's recommendations on Page 9 of the Staff Report was as follows:

Staff further recommends that the Company file a backflow prevention tariff in the form found on the Commission's website at www.azcc.gov/divisions/utilities/forms/cross-c.pdf. This tariff shall be docketed as a compliance item in this case within 45 days of the effective date of an order in this proceeding for review and certification by Staff. Staff recognizes that the Company may need to make minor modifications to the sample tariff according to its specific management, operational, and design requirements as necessary and appropriate.

On November 8, 2007, the Company filed its backflow prevention tariff under a new docket number (07-0634) and after Staff's review, became effective by operation of law on December 8, 2007. Based on this Company's approved tariff filing, Staff withdraws its backflow prevention tariff filing requirement in Docket No. W-03948A-07-0495.
